thinking of proposing

topic at tomorrow
night's Historical
Society meeting.

Russell convinced me
that we should not
make any more flower

RTP will begin
haying next week.
I volunteered my
services on Tuesday,
Wednesday and
Thursday afternoons.

Tomorrow will be a
busy day - at 8 AM
I am to meet with
the Citizens for a
Better Carbondale. At

9:30, I am to meet John at the CHS and we will
print the 1982-1983 membership certificates for the
Carbondale Historical Society and Museum, Inc. The
flower boxes have to be watered. The CHS+M will
meet at 7:30 PM in the tower room of Carbondale
City Hall. I should put together a couple of articles
for the paper -- probably on the Reel school trip
today. I shall also talk with Frank Greco, Jr.
about flags for Main Street.
